

MD PROGRAMS

That require Biochemistry as a Prerequisite

The 57 medical schools listed below require Biochemistry, many others strongly recommend it, and the MCAT includes significant Biochemistry content. HPA recommends that all Princeton premedical students take Biochemistry. Clicking on a school name will link to the individual school website. Please [contact HPA](#) with additions or deletions.

<u>Medical School (alpha by state)</u>	<u>State</u>
<u>University of Alabama School of Medicine</u>	AL
